

# COULD YOU GIVE YOUNG CRIME VICTIMS EMOTIONAL SUPPORT?

Mending hearts, minds & families

## Volunteers needed

Do you have experience working with children and young people?  
Have you had a career working in safeguarding or child protection and are  
looking to make a difference?

Are you looking for a change of career into counselling?

We have a fantastic opportunity to give the right people the chance to make a  
real difference to the lives of children and young people who are suffering  
trauma through crime.

We are looking for volunteers to help deliver emotional support to children and  
young people who have been victims of or witnesses to crime.

Volunteers would need to be available on Mondays and Wednesdays  
between 10am and 4pm to work from our head office in Peterborough.  
All volunteers will be required to have an enhanced DBS check and will  
receive specialist training and ongoing supervision.
